1. I love you. I give you me.

2. Coming into me as a man has never been understood or has it been misunderstood to the point that coming into me is not man not, but God not God? Or was it the "other way round"? Or what round "mountains" have you been going, spinning, out of control? Or who's controlled you into that Spinningsville that you call Heaven, not; but Hell, not; but earth? But what is it? Both and? The same, not; or play stationing me to death, not; but what creation station am I stationing where or am I on the stationer or creationer creating all of creation –'s powers again or am I creating all of creation again on other "stations", "floating" out there "among" space?

3. What have I said?
4. What have I asked and in asking "told you" sometimes?
5. And what are you willing to refute not, but rebut not, but rebuttals not making or seeking or not rebutting not, but what will be rebutted rebuttal'd not, but what are you rebutting refuting and dismantling a heart of now? A stone syringe not, but many "syringe makers" will DRY UP now for they will not "need" needles to STICK me with its serum or substance abuse users using me for its their method of "gain" gained saying at CORE's expense, not; or what expended is being?

6. No more alas, not; but a great alasment looking up? I love you all to know these things that I have spoken about, speaking am, changing am and creating am the new that now changes EVERYTHING. I love you all. Amen.

7. I go to a new place and I am not afraid to arise at "4 AM" or 2 or 3 or 1 or whatever time that it may "seem" and arise arising me to share my "testimony of me" that I am have become now where I share my words JUST LIKE THIS whether it be in CASTLES of FAME and "famous people's homes" and "air castles in the skies" and many "poor people's dwellings" and wherever I may be I find myself speaking the words that I am, for I am none other "floating out there in space" other than my wordship clean or dirty, not; but I make all things new and I know what I am doing with you and others who are surrendered who are me who come unto me who misunderstand these things not, but have now a willing heart to learn of me to be me where I am doing the things that I do. Merriment making not, or looking up?

8. The paths of the righteous I have given you -- or one path or "many paths" or is "many paths" one path and is the path trod now looking up to you to be more misunderstood than ever or clearly understood now that I have given you these "600 words" not, or have I brought you "600 people"? Or 600,000 millions billions that become perfectly me becoming seven eating kushkas, not; but what now looking up all words first in these shall we look up and "verify" that they have NOT been spoken HERE FIRST or HAVE they verified and speaking about many things having been spoken about that now comes into play, being misunderstood no longer?

9. I "question" many things correctly now and with a willing heart I learn. Misunderstood applications will be no longer. For I come unto the earth to reveal the earth not unto the earth -'s itself for itself sake, I come unto what earthed me and spun me "out of control" and misunderstood was so many ways but LOOSE I make "everything" now not, but I make the surrendered follow me, not; I lead the surrendered out of what spun them into their misunderstanding and dark shadowy nights of the "soul" that now is at enmity no more for I remove the veil of the flesh revealing me perfectly the creator's creator in you all and THIS is what I have to say in these few minutes "this very day".

10. Question mark or period? All of you have to answer MANY THINGS now about these words for I will have PLACED them in into your hearts and I will be speaking them and you will hear them far and wide being spoken on many "recorders" and "playing equipments" now that you heard have seen like this, or not, or more now coming to you? To patent your inventions, not; or giving them to me, not; but what giving I am MANY to YOU! To do with as you please, not; but what am I incorporating into the **Commerceship of me now revealing**? There is no limit, there are no limits in me of anything of shapes or forms or creation that creation cannot create accurately now according to the plan I have given thee. In these words. And MORE COMING profusely.

11. Contusioning me, not; but profusioning me, not; but now I make all things new with the "fusion of one" not, but what am I "fusing together" not, gobbling like "I did" in the past, for I now make all things timeless and I reveal the I am to all. My time is now up and I am before you all going to the nations not few. I go to all not, or do I? I am infinite obedience am I not? Or infinite leader of one? Me!

12. I love you all I love you all. Amen.

13. Thank you for being WITH ME these days -- and NOW ENDS all "as you have known it" for there will be NO MISUNDERSTANDINGS about these things now for I EXPLAIN, I RISE to EXPLAIN to the nations the nations of one: Israel I have given you and

my name is one. Him I am we I rise. I love you. Understanding everything I am, not, or "just enough" I am both and yes I am the son I am one I am the father became the son became the father whose one is one is who's becoming the one that one is revealing to all that THEY ARE the one that I am revealing all to all to "all things" hanging in space and all there be -- that find me "there" I will reveal myself to them for I will find "them there" and I go tomorrow, not; today. Is now before you all and **I choose to lift the life my father is me I am one with, no more misunderstanding things in these words or about how they apply to EVERY PERSON IN THE UNIVERSE** and captivity will not be misunderstood, and religion will not be misunderstood, for "people" will not be misunderstood, for all "MAN" will be not "MAN" again apart from me for "reconciling myself" I am, not; I am becoming GOD who I am, not misunderstood by "man" who created itself apart from me in its thought thinking that it was, but it wasn't, and now time shall be no more, for all shall know that I am one with me my maker that was me, surrendering to me to be me who I was before "I fell" into my thought thinking I was separate from me my father's love and needed "something else" or someone else somewhere else to come and "rescue or reconcile me". For now I "reconcile myself" not, or do I surrender just like this where I "get up" and arise at "2 AM" meetings with my maker to teach me, who teaches me who I am by MY FLOWING my words that wash me clean in the blood of the lamb that's my blood that I've spoken to the all of thee that I share with thee my words -- I love you all. Amen.

14. The blood of the lamb to find, thought understood, hanging in space I do many things now correctly with the love of one who knows all, and is "misunderstood" only temporarily so even for just "moments" of time, for time shall be no more for I rise the permanent ME who loves me before you all to show you: you are The Permanent Ones who establishes me far and wide revealing all to all NEW THINGS in space never imagined before going to and being there and here the same time? Or timeless.

15. I am. I love you all. Good day. A new jet? A new way? A new path? All three and many more and many more and never ending STREAMINGLY now they stream into Tulsa to hear your words spoken just like this before them in noon meetings lovely, looking up. Little not, but in thy eyes I am you perfectly, removed not from sorrow, but healing it all. And My TOWERS shall be full of the glory of light, the light of glory, the perfect word spoken creating worlds far and wide. I go now I do these things. I love you all. I died to rise, and now I live, and I write and speak just like this and love you who do will be me special in my sight who simply reveal who I am to all I am who love me who die to all else to rise me the lights of one that one light is. Now we know our place space and nothing "forces us out" of ourselves any longer, for we will have no "selves of our flesh" that maintain only our appearance and our images that interact with each other's image machines. All misunderstood not shall be, but perfect understanding I give to thee who flow me just like this in my meetings OUR MEETINGS who hours last for some time now

and knowing you broadcasting you far and wide I do to many just like this from locations not few. Location independent -- of me not, but me being me I broadcast MY LOVES far and wide to my LOVES to all be one -- me affirmed, affied in love, and fried in not-love no longer. Nor oil of other but know that my anointing breaks the yoke of all for I have spoken it, become it, and now I pour myself out before you all. Do with me as you will? Or be me -- hanging MANY THINGS in space now creating peoples not being misunderstood ever again we do all things anew and now you know your roles my role that one is, for we are one again most holy lovely high and lifted up.

16. And we shall be "in the claim" of fools, not; but I am "claiming" nothing, but I AM SURRENDERING to be who I am is me you us one altogether knowing all these things as one being one, the is one isn't no longer. I love you all. Amen.

17. This is Theodore Cottingham loving you all. Write me well and understand many things, not; all of them all of us being you who will be me. Amen.

18. Thank you.

Amen
